---

**As a foster parent, you will have an animal in your care for an unknown amount of time. If you plan to be on vacation during the time of your fostering it is required of you to notify Bethel Animal Rescue. If an emergency situation arises and you will be unable to take care of your foster pet, you are required to inform Bethel Animal Rescue immediately. Under no circumstances are you to pass off your foster pet to someone else without getting prior approval from Bethel Animal Rescue. This will allow us time to find the most suitable temporary accommodations for your foster animal. While you have the animal(s) in your care someone from Bethel Animal Rescue will do routine visits to get updates on the care and development of your foster pet. At this time, we will also be gathering much needed information to help with the adoption of the pet as well as up to date photos. As a foster parent you fully agree with the adoption process and work properly with all staff from Bethel Animal Rescue.**
